LOOKS LIKE YOU GOT SOME TALENT THERE, BRAT.
I WONDER HOW YOU MANAGED TO HIDE FROM US ALL THIS TIME?

It'd be easy to kill you without using magic,
Step-

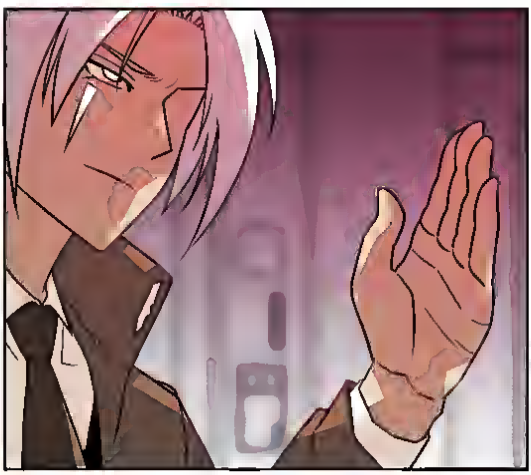
But that wouldn't be satisfying, now would it?



Pat-

I'LL RIP OUT
YOUR HEART.

_End of Episode "Rescue".

End of Part 1.

Hello. This is the creator of
City of Dead Sorcerer,
Kim Carnby.

With the end of the Rescue episode
and the (unplanned) Part 1 of the story,
I plan to take a short break.

Recently, I developed
serious migraines which have
made it impossible for me to
continue with work.

I endured it for the past 2 weeks
and continued working for a time,
but I think I reached my limit.

I went for consultations
and am currently undergoing treatment
but the reason behind the headaches
might not be so easily uncovered.

On a medical recommendation,
I decided to take a short break.

Since this break was sudden
and unplanned ,I just want to say that
I am very sorry to all of you.

As for "Bastard," I've accumulated
a large portion of the story already, so as long
as I don't have a serious conditionor don't die
suddenly, there will be no effecton
its continuation.

Everyone, please stay healthy.

Nowadays, there's something
unexpected every year.

I will meet you all with Part 2
(which won't be as long as Part 1)
With a healthy body and mind!
